Our Experience **Strategy**

Over 20 years of strategy experience across GCC and Pakistan with multinational marketing-communication networks.

Experience spans across B2C, B2G, Retail, Hospitality, Automotive, Oil & Gas, Technology, Banks & Financial Industry, Aviation, Govt/Semi Govt, Destination Marketing, Telco, IPO Campaigns, Fashion, QSR, CSD and multiple other category.

Our Experience

Creativity

& Production

Over 30 years experience of technical excellence and direction at every stage of production, with the advantage of in-house Post production, editing suites, and animation facilities.

We create high end visual effects to photo real 3D set extensions, architectural walkthroughs, character animation, liquid simulations, handling from compositing to color grading.

Our Clients

Over our 30+ year heritage in the region, we have successfully developed and delivered communications solutions for global brands as well as some the region's leading brands. A small selection of these are listed right.
